PERSONAL DATA PROCESSED

The Company collects, processes, and stores Personal Data regarding Applicants for the purposes detailed below in connection with its human resources, training and security vetting activities. The Personal Data we hold and process will be used for management and administrative use. The Company will keep and use the information to enable it to run the business and manage its relationship with you effectively, lawfully and appropriately, during the recruitment process, whilst you are working for the Company, at the time when your employment ends and after you have left. This includes using information to enable the Company to comply with the employment contract, to comply with any legal requirements, pursue the legitimate interests of the Company and protect the Company’s legal position in the event of legal proceedings. Further information on why we process your Personal Data is set out below. If you do not provide this data, the Company may be unable in some circumstances to comply with its obligations and will tell you about the implications of that decision.

- **Recruitment:** The Company processes Personal Data of Applicants such as name; contact information, education, language(s) and special job-related competencies; certification information; employment history; work experience; military service information; background check information to the extent that such checks are possible under applicable law; and

criminal convictions and offences, insofar as this information is relevant for the specific position, to fulfill its legitimate interest and legal obligations in employing the most qualified Applicants. The processing of criminal convictions and offences data in connection with the Company's security vetting activities will be carried out only under the control of official authority or when authorised by UK law. The Company may collect recruitment-related Personal Data from third parties such as recruiters, background check companies, government authorities, former employers and references you provide. The Company may also collect Personal Data from publicly accessible sources such as public and job-related social media profiles.

- **Equality and diversity:** The Company processes Personal Data such as racial or ethnic origin, gender; disability information, and other characteristics protected by law to comply with obligations and specific rights in the field of employment and social security and social protection law in so far as such processing is authorised by UK law or a collective agreement, and to fulfill the Company's legitimate interest in maintaining a diverse workplace free from improper discrimination, and in order to administer the contract of employment.
- **Health and safety:** The Company processes Personal Data regarding medical or health conditions, drug testing, health insurance for the purposes of preventive or occupational medicine, assessments of your working capacity, medical diagnosis, the provision of health or social care or treatment and management of health or social care systems and services. This information is processed for the protection of your vital interests or the vital interests of another person and to comply with obligations and specific rights in the field of employment and social security and social protection law in so far as it is authorised by UK law. This information may also be processed pursuant to a collective agreement and legal obligations to provide a safe workplace. The Company may collect such information from third parties such as health care providers and third party benefits administrators and government authorities.
- **Defence of legal claims:** The Company processes Personal Data necessary for the establishment, exercise or defence of legal claims.

RECIPIENTS OF YOUR PERSONAL DATA

Your Personal Data will be disclosed to:

- Management, human resources (HR) personnel, security personnel and information technology (IT) personnel who have a need to know about your Personal Data.
- Management, HR personnel, security personnel and IT personnel located at the Company offices in Oakdale, Merthyr Tydfil, Bristol, Chippenham, and Hastings, who have a need to know about your Personal Data.
- Management, HR personnel, security personnel and IT personnel located at the Company offices in Oakdale, Merthyr Tydfil, Bristol, Chippenham, and Hastings, have implemented appropriate safeguards for the transfer of your Personal Data to Canada and US and other countries outside of the UK as permitted under a finding of adequacy or through standard contract clauses under Article 46 (2). Further information regarding these safeguards can be obtained from your local HR representative or the DPO.
- Third party processors such as recruiters, background check companies, government agencies and others who have a need to process your Personal Data in connection with your recruitment employment with the Company as part of the operation of the business. Currently these third parties are named at Annex A to this document.

To the extent that such third party processors are located in a country without adequacy regulations, the Company has implemented appropriate safeguards for the transfer of your personal information to these countries through standard contract clauses under Article 46 (2). Further information regarding these safeguards can be obtained from your local HR representative or DPO.

- Additionally, the Company may be required to disclose Personal Data in response to lawful requests by public authorities to comply with national security or law enforcement requirements.

RETENTION OF YOUR PERSONAL DATA

The Company and any applicable third party processors will retain your Personal Data for (1) the period of time that it is necessary to process your Personal Data for the purposes for which it was collected and processed, (2) the period required under record retention laws, (3) the applicable statute of limitations for employment or discrimination claims, or (4) the necessary period of time to establish, exercise, or defend legal claims. Please refer to the Company's Data Retention Policy, via the General Dynamics UK Business Process Library, for

more information. Generally, for unsuccessful applicants, the Company and applicable third party processors will delete your Personal Data upon completion of the application and employment decision process subject to unless you specifically request the Company to retain your Personal Data for further consideration.

YOUR RIGHTS REGARDING YOUR PERSONAL DATA

As a data subject, you have the following rights regarding your Personal Data:

- **Right of Access:** You have the right to obtain confirmation from the Company as to whether or not Personal Data concerning you is being processed. You also have the right to obtain the following information unless providing such Personal Data adversely affects the rights and freedoms of others: (1) purpose of the processing, (2) categories of Personal Data concerned, (3) the recipients or categories of recipients to whom your Personal Data has or will be disclosed, (4) the envisaged period for which your Personal Data will be stored, (5) your right to request rectification or erasure of your Personal Data or restriction of processing of Personal Data, (6) your right to lodge a complaint with a supervisory authority, (7) the source from which your Personal Data was obtained if you did not provide the Personal Data, (8) the existence of any automated decision-making, including profiling, the logic involved in such decision-making, and the significance and consequences of such processing, and (9) the country to which your Personal Data is transferred if it is transferred to a third country. The Company will provide a copy of the Personal Data being processed in a commonly used electronic form where you have made your access request by electronic means.
- **Right to Rectification:** You have the right to request and obtain the rectification of inaccurate Personal Data and the completion of incomplete Personal Data including providing a supplementary statement. The Company will notify any recipients of your Personal Data regarding the rectification unless such notification involves disproportionate effort. The Company will inform you about such recipients upon your request.
- **Right to Erasure (Right to be Forgotten):** You have the right to request and obtain erasure of Personal Data concerning you under the following circumstances: (1) the Personal Data is no longer necessary for the purposes for which it was collected or processed, (2) you have withdrawn consent for any processing for which you provided consent, (3) you object to the processing of your Personal Data based on the Company's legitimate interest and there are no overriding legitimate grounds for the processing, (4) your Personal Data has not been lawfully processed, or (5) the Personal Data is required to be erased based on the Company's legal

obligation to erase the Personal Data. However, your right to erasure does not apply where the processing is necessary for (a) exercising the right of freedom of expression and information, (b) the Company has a legal obligation requiring the processing of your Personal Data, (c) for reasons of public interest in the area of public health, or (d) for the establishment, exercise or defence of legal claims. The Company will notify any recipients of your Personal Data regarding the erasure unless such notification involves disproportionate effort. The Company will inform you about such recipients upon your request.

- **Right to Restrict Processing:** You have the right to obtain a restriction on the processing of your Personal Data under the following circumstances: (1) during the period of time for the Company to verify the accuracy of your Personal Data where you have objected to its accuracy, (2) the processing is unlawful and you do not want the Personal Data erased, (3) the Company no longer needs the Personal Data for the purposes for which it was processed but you require the Company to retain the information for the establishment, exercise or defence of legal claims, (4) you have objected to the Company's legitimate interest for processing the data and then during the period of time that the Company determines whether the legitimate interest overrides your privacy rights. While the restriction is in place, the Company will store and process the Personal Data subject to the restriction; process such Personal Data with your consent, for the establishment, exercise or defence of legal claims, to protect the rights of others, or for reasons of important public interest. Further, the Company will provide you with prior notice if the restriction is being lifted. The Company will notify any recipients of your Personal Data regarding the restriction unless such notification involves disproportionate effort. The Company will inform you about such recipients upon your request.
- **Right to Portability:** You have the right to receive Personal Data that you have provided to the Company and transmit such Personal Data to another controller where the processing of such Personal Data is based on consent or on a contract and is processed by automated means. Additionally, you have the right to require the Company to transmit such Personal Data directly to another controller, where technically feasible. This right is not applicable if it adversely affects the rights and freedoms of others.
- **Right to Object:** You have the right to object to the processing of your Personal Data if the processing is based upon the Company's legitimate interest, including any profiling based on such processing. The Company will cease processing such Personal Data unless the Company can demonstrate a compelling legitimate ground for the processing that

outweighs your interest, rights or freedoms; or unless continued processing is necessary for the establishment, exercise or defence of legal claims.

- **Right not to be Subject to Automated Decision-Making, Including Profiling:** You have the right not to be subject to a decision based solely on automated processing, including profiling, which produces legal effects concerning you or significantly affects you. However, this right does not apply if the decision is necessary to enter into or perform a contract between you and the Company, is authorised by applicable law, or is based on your explicit consent. If based on your consent or a contract, the Company will provide a person to whom you can express your point of view and contest the decision.
- **PLEASE NOTE THAT GENERAL DYNAMICS UK DOES NOT CURRENTLY UTILISE ANY AUTOMATED DECISION-MAKING OR PROFILING METHODS**

QUESTIONS AND COMPLAINTS

Questions or complaints regarding the processing of your Personal Data should be directed to your hiring contact at the Company in the first instance. If the enquiry cannot be answered or the complaint is not resolved locally, please direct the matter to the Company by letter, telephone or email to the Company's Data Protection Officer whose contact details are set out above.
